SOME BACKGROUND INFORMATION

This event has been done by Mystic Chapter #20 for about 7 years. The purpose is to have an event that is easy ... no one must bring carloads of their stuff, no one must worry about purchasing supplies, no one must host at their home. We ARE NOT spending 5 hours sitting in a circle ... WE ARE, instead, having a quick picnic someplace that is interesting/scenic and then off for an adventure!

No one knows where we are going except for me! And ... I am not telling!

Our past trips, which may or may not be included in whole or part for this trip, have included: Thimble Island Cruise, Yale Art Gallery with private guide, Elizabeth Park Rose Garden, Wadsworth Athenaeum, Hammonasset Nature Center, Gillette Castle. We return home hot and tired ... but WHAT A DAY we have had!!! The fellowship shared is fun and we have new things to talk about and share!

Itinerary:

Meet at Cheshire commuter lot, Rt 10, off I691. We combine participants into as few cars as possible. Depart promptly at designated time. Be at lot 15 mins before specified time!
