Departure from your area this morning on route to Boston, MA. Our first stop will be at Quincy Market at **Margaritaville** where we'll enjoy lunch. Enjoy a *choice of a Cheeseburger in Paradise, Fried Chicken Sandwich, Fish & Chips, Hand-Battered Chicken Tenders, Chicken Alfredo or Grilled Chicken Caesar Salad.* After lunch, we'll walk across Quincy Market and cross the street to the New England Aquarium where we'll board our catamaran vessel for an afternoon **Whale Watch**. This is a thrilling opportunity to see whales up close. The area off Boston is a rich feeding ground for humpback, fin, minke whales, dolphins and of course plenty of seabirds. The trip takes 3-4 hours and there is a naturalist on board who will provide insight into the marine ecology and whale behavior. Be sure to bring your camera, binoculars, sunscreen and layered clothing for the sea breeze. When our cruise returns to Boston Harbor, our motor coach will be waiting to bring us home to CT.
